YEASIN KABIR

Full-Stack Web Developer & Automation Specialist

Satkhira, Khulna, Bangladesh | Phone: +880 1851715713 | Email: yeasinkabir0000@gmail.com
Portfolio: yeasinkabir.pro.bd | GitHub: github.com/yeasin12321 | Telegram: @yeaxmi

EDUCATION

Satkhira Government College — Satkhira, Bangladesh
Higher Secondary Certificate (HSC) – Humanities

SKILLS & PROFICIENCIES

Languages:	JavaScript (ES6+), Python, HTML5, CSS3, Bash/Shell Scripting
Frontend & UI:	Responsive Web Design, Tailwind CSS, Glassmorphism UI, DOM APIs, PWA / TWA
Backend & Frameworks:	Node.js, Express.js, RESTful APIs, Multer (Multipart Data), Axios, WeasyPrint
Tools & Systems:	Git, GitHub, Kali Linux (System Administration), VS Code, MacroDroid, OBS Studio
APIs & Automation:	Telegram Bot API, Google Sheets API, Google Apps Script, PyAutoGUI, Task Scheduling

PROJECTS & LIVE APPLICATIONS

Cloud Drive Storage Engine (Telegram Bot Backend) — Live Demo
Node.js, Express.js, Multer, Axios, Telegram Bot API — 2026

- Architected a resilient web-based drive handling large file uploads and downloads up to 100GB via Telegram channel storage.
- Integrated Multer for streaming multipart form-data and Axios for seamless chunk management and secure session dispatch.

Personal Portfolio & Dynamic Web Platform — yeasinkabir.pro.bd
HTML5, Tailwind CSS, Vanilla JavaScript, PWA / TWA — 2026

- Engineered a high-performance personal portfolio featuring a modern glassmorphism design and sub-second load times.
- Configured Progressive Web App (PWA) manifest and Android Trusted Web Activity (TWA) integration for native-like mobile deployment.

Medical Assistant Bot Platform — Live App
JavaScript, Node.js, AI Assistant API Integration, Responsive Layout — 2026

- Built an interactive healthcare guidance web platform providing instant responses to medical queries with structured recommendations.
- Optimized client-side rendering and API error-handling to maintain reliable uptime and user experience.

Cross-Device Desktop Automation Suite — System Workflow
Python, PyAutoGUI, MacroDroid, Telegram Bot API — 2026

- Created a remote automation pipeline linking mobile gesture commands via MacroDroid to execute complex desktop GUI tasks automatically.

EXPERIENCE & LEADERSHIP

Yeaxmi Education Care — Founder & Academic Instructor

- Authored comprehensive admission study guides, grammar reference systems, and digital question banks for collegiate candidates.

Cyber71 — Active Team Member

- Participated in cyber awareness campaigns, community digital defense, and collaborative information security initiatives.

ACHIEVEMENTS & PUBLICATIONS

- **1st Place – Bondi Pathshala University Admission Mock Exam (2026):** Scored 58.75/60 among approximately 230,000 competing examinees nationwide.
- **Published Author:** Authored and published the acclaimed Bengali literary book *"Dhushor Bosonto"* (ধূসর বসন্ত).
- **Digital Content & Media:** Experienced in visual narrative structuring, 3D animation scripting, and educational media development.
